

**Diocese of Lubbock
Parent/Guardian Consent Form
Virtual Programming for Youth**

Dear Parent/Guardian,

In order to continuously serve church youth during Public Health Emergencies, the Diocese of Lubbock is permitting distance learning virtual programming for the youth, through which two cleared adults will facilitate program activities through video conference/social media platforms. Moderators will use software, tools and applications provided by third parties that youth, parents/guardians and/or church participants will access via the internet and use for purposes of learning communication and programming. Video conference/social media platforms such as Zoom, Facebook, Facebook Messenger, Google etc. will be utilized to interact and stay connected with one another during these challenging times. Our commitment to keeping the youth we serve safe is always our number one priority.
