## What will this year look like?

The short answer: A lot different! There is no doubt that the challenges presented by the COVID pandemic have brought about a lot of changes. The good news is that we have embraced this opportunity and are excited to help you continue formation through the Domestic Church!

HOW WILL WE  
PRESENT

## Class Material?

Our website will contain material including videos, games and activities, assessments, praise and worship music, Liturgy basics, Saint lessons, and discussion/reflection topics and questions to help meditate on and reinforce the Liturgical lesson of the week as a family. Small groups will meet via zoom monthly to review lesson material and to engage in community!
