WHAT WILL THIS YEAR LOOK LIKE?

YOUTH & COVID-19

The short answer: A lot different! This year CTK Youth Ministry has been presented with new opportunities, under new direction, and new challenges. There is no doubt that the challenge brought about by the Covid-19 pandemic have brought about a lot of changes in our daily lives, including the way we worship and means of formation. The good news is that the Formation Team has embraced this opportunity and ready to take on these new challenges by continuing formation through the Domestic Church.

HOW WILL FAITH FORMATION TAKE PLACE AT HOME

YOUTH PORTALS &
PARENT PORTALS

We will utilize the updated Youth pages on the CTK Website! The Youth Formation page will have Youth and Parent Portals. The material inside each portal will consist of the following: videos, activities, assessments, Liturgy, reflection and discussion questions and additional resources. Sacramental Parent Portals will have an overview of the lessons, discussion topics, and ways to engage your teen that week as they prepare for the Sacrament of Confirmation.

Each age group will meet via zoom monthly to have an "in-person" youth night.

SACRAMENT PREPARATION?

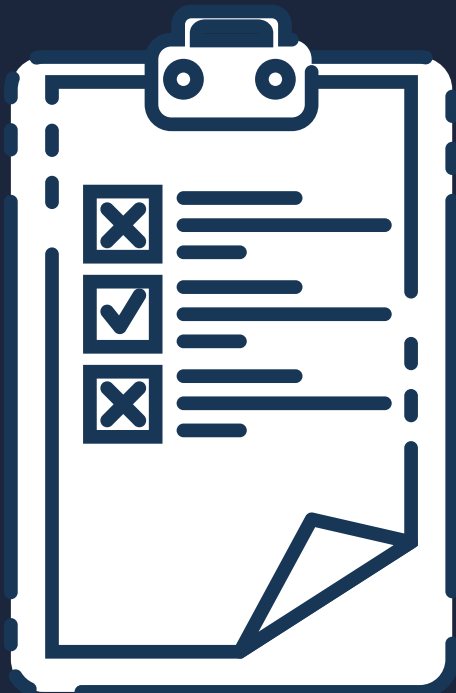

PRE-CONFIRMATION AND CONFIRMATION

Pre-Confirmation and Confirmation formation will still take place. Pre-Confirmation will be using the program Chosen. Confirmation will use the program Purpose. Alongside with these programs to tie in with the rest of the youth program, the teens will have a "Praying with Sacred Scripture Journal" that will help track their Mass attendance and give them the opportunity to reflect on the readings.

This Preparation will include Parent Meetings as well. During these meeting the parents will participate in the "You" program. This program is a Theology of the Body program that covers identity, sexuality, love and relationships.

STAYING CONNECTED

As this situation and guidelines change frequently, we will release monthly calendars this year, and will keep you updated on any change by notices released through MyParish App. Therefore, it is imperative that all families download the app and create an account. Once an account has been made the parents and teen will need to join the correct small group within the app.
