

CTKC YOUTH MINISTRY NEWSLETTER

SEPTEMBER 2021

FIRST DAY BACK!

YOUTH GROUP IS FAMILY!

First day back was a success! Teens were able to meet this year's ministers and start establishing those personal connections! September 12th was showing the teens that youth is a place where we cheer each other on in our faith journey. When a teen walks through the doors of youth they should feel welcomed and accepted, despite the week they had. The teens were able to put this into practice with team games! I'm excited as we get this year started, and hopefully you and your teen are ready to be REVOLUTIONARY!

COVID-19 PRECAUTIONS

HEALTH AND SAFETY IS
OUR TOP PRIORITY

We will continue to keep your teen's health our top priority. Here is what we are doing:

1. Youth rooms will be sanitized before and after youth. They are also deep cleaned once a week.
2. Hand sanitizer and kleenex are made available in all locations.
3. Youth Ministers and teens are encouraged to wear masks.
4. If your child is not feeling well please keep them home.
 - a. If anyone in you household is diagnosed with Covid-19, we ask that your teen stay home for that week.

UPCOMING EVENTS

September 12: First Day of
Youth Group
